

Case Study

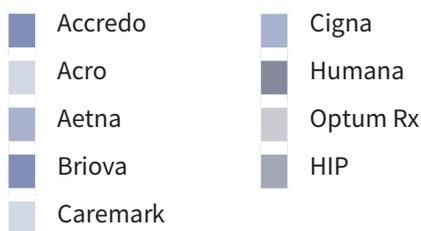

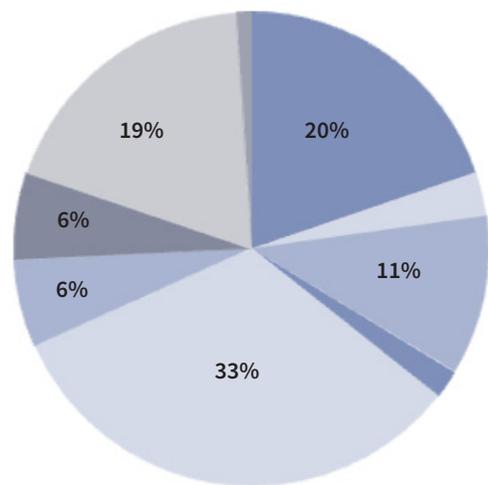

Unlike Other HUBs, No Internal Conflicts

Transfers to Specialty Pharmacies

A comparative analysis of COPILOT’s pharmacy prescription offerings reveals that COPILOT excels in transferring prescriptions to a wide range of dispensing options, with top-notch accuracy rates for complex benefit investigations across both medical and pharmacy benefits. COPILOT seamlessly connects drugs to patients through various channels, including Specialty Pharmacies, Specialty Distributors, Wholesalers, and Buy-and-Bill options. COPILOT prioritizes precision and efficiency, delivering speed and accuracy to clients.

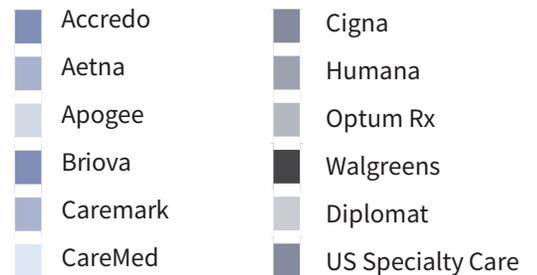

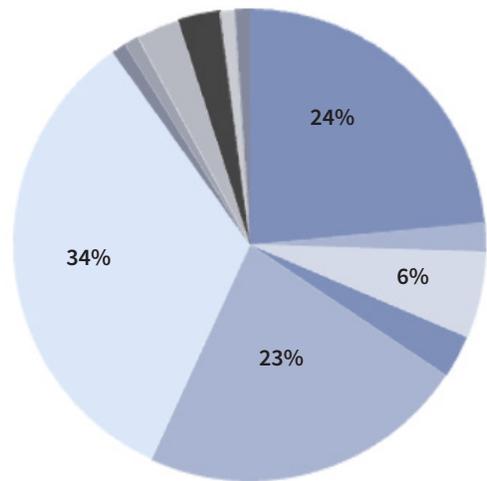

Top Ten Medical Benefit Transfers
